# SOME OF THE BEST QUOTES FROM BISHOP FULTON SHEEN

Prayer begins by talking to God, but it ends by listening to Him. In the face of Absolute Truth, silence is the soul's language.

When a child is given to his parents, a crown is made for that child in Heaven, and woe to the parents who raise a child without consciousness of that eternal crown!

The greatest love story of all time is contained in a tiny white Host.

Civilization is always in danger when those who have never learned to obey are given the right to command.

Ever since the days of Adam, man has been hiding from God and saying, "God is hard to find".

Sometimes the only way the good Lord can get into some hearts is to break them.

Moral principles do not depend on a majority vote. Wrong is wrong, even if everybody is wrong. Right is right, even if nobody is right.

A Catholic may sin and sin as badly as anyone else, but no genuine Catholic ever denies he is a sinner. A Catholic wants his sins forgiven - not excused or sublimated.

There is no other subject on which the average mind is so much confused as the subject of tolerance and intolerance... Tolerance applies only to persons, but never to principles. Intolerance applies only to principles, but never to persons.

All badness is spoiled goodness. A bad apple is a good apple that became rotten. Because evil has no capital of its own, it is a parasite that feeds on goodness.

America, it is said, is suffering from intolerance — it is not. It is suffering from tolerance. Tolerance of right and wrong, truth and error, virtue and evil, Christ and chaos. Our country is not nearly so overrun with the bigoted as it is overrun with the broadminded.

The refusal to take sides on great moral issues is itself a decision. It is a silent acquiescence to evil. The Tragedy of our time is that those who still believe in honesty lack fire and conviction, while those who believe in dishonesty are full of passionate conviction.

When a man loves a woman, he has to become worthy of her. The higher her virtue, the more noble her character, the more devoted she is to truth, justice, goodness, the more a man has to aspire to be worthy of her. The history of civilization could actually be written in terms of the level of its women.
