PADRE PIO'S SENSE OF HUMOUR (FEAST DAY 23 SEPTEMBER)

Padre Pio's statements:

"Keep an attitude of holy joyousness that gives encouragement to others."

"When I am dead I will make an even bigger din than when I was alive."

To a doctor

"Do you know why you doctors never go on strike? Because if you go on strike people will realise that, without you, they get better, and faster."

Not feeling well

"Father, my friend asked me to tell you that she has not been feeling well for the past two years. What should I tell her?" "Tell her that I have not been feeling well for the past seventy years."

Lightning

During a lightning a friar told Padre Pio:

- "Father let's move away from the transformer. Ten people were killed yesterday."

- "We ran no risk of this. There are only two of us."

Legs

"Padre my leg is not doing well."

"Lucky you! I have both legs in bad shape."

A mouse

When doctors Festa and Romanelli did a joint examination of Padre Pio's wounds in 1920, Padre Pio didn't lose his jovial attitude and told them a question and answer joke: "What is like a sick person in between two doctors? He is like a mouse between two cats!"

Psychiatry

A woman told Padre Pio that her doctor had recommended for her shock treatment. Padre Pio: "If you are not crazy already, you surely will be after shock treatments."

Head

Padre Isidoro told Padre Pio: "I have to go in-patient in Casa Sollievo because it has been a

month now that I have atrocious headaches. Pray for me." Padre Pio laughed. Padre Isidoro came back to Padre Pio after a week. He was all smiles: "They didn't find anything in my head." Padre Pio: "That is something that we all knew already."

Three things

"Three things are useless: washing a donkey's head, adding water to the ocean and preaching to nuns, friars and priests."

Sugar almond

A friar offered to Padre Pio a sugared almond. He accepted it and started chewing it. He was then accompanied towards the sacristy to hear the confession of men. When they reached the door he said: "Don't open the door yet. Let me finish this candy. Otherwise they will say: 'What kind of saint is this, if he eats candies?'"

The ox

Carlo Campanini told his doctor in Florence: Tomorrow I'm going to see Padre Pio. The doctor replied: "He is a hysterical man who got the wound by thinking too much about Jesus on the Cross."

When Campanini visited Padre Pio, he told him: "When you see your doctor, tell him to think intensely about being an ox. Let's see if he grows horns."

Too long

One day Padre Sexto said to Padre Pio: "I wish you another fifty years." Padre Pio replied: "What harm I have ever done to you?"

The bricklayer

Padre Pio walking in the church saw a bricklayer carrying stuff downstairs in the crypt, working on Padre Pio's tomb. He asked: "What are you making?" The man was extremely embarrassed and said: "I don't know; maybe an altar." Padre Pio: "Remember that I will spend very little time down there."
