SISTER LUCY'S OWN WORDS

Father Augustin Fuentes, who was preparing to become the postulator of the causes for beatification of Francisco and Jacinta Marto, met with Sister Lucy at her convent in Coimbra, Portugal. He was able to converse with the Fatima seer at great length.

"I wish to tell you about the last conversation which I had with Sister Lucy on the 26th of December (1957). I met her in her convent. She was very sad, very pale and emaciated. She said to me:"

"No One Has Paid Any Attention"

"Father, the most Holy Virgin is very sad because no one has paid any attention to Her Message, neither the good nor the bad. The good continue on their way, but without giving any importance to Her Message. The bad, not seeing the punishment of God actually falling upon them, continue their life of sin without even caring about the Message. But believe me, Father, God will chastise the world and this will be in a terrible manner. The punishment from Heaven is imminent."

The Secret Not Revealed

"Father, how much time is there before 1960 arrives? It will be very sad for everyone, not one person will rejoice at all if beforehand the world does not pray and do penance. I am not able to give any other details, because it is still a Secret. According to the will of the Most Holy Virgin, only the Holy Father and the Bishop of Fatima are permitted to know the Secret, but they have chosen to not know it so that they would not be influenced. This is the third part of the Message of Our Lady, which will remain secret until 1960."

Russia, the Scourge of God

"Tell them, Father, that many times the Most Holy Virgin told my cousins Francisco and Jacinta, as well as myself, that many nations will disappear from the face of the earth. She said that Russia will be the instrument of chastisement chosen by Heaven to punish the whole world if we do not beforehand obtain the conversion of that poor nation."

"The Decisive Battle" Between Mary and Satan: the Falling Away of Consecrated Souls and Priests

Sister Lucy also told me: "Father, the devil is in the mood for engaging in a decisive battle against the Blessed Virgin. And the devil knows what it is that offends God the most, and which in a short space of time will gain for him the greatest number of souls. Thus the devil does everything to overcome souls consecrated to God, because in this way the devil will succeed in leaving the souls of the faithful abandoned by their leaders, thereby the more easily will he seize them."

"That which afflicts the Immaculate Heart of Mary and the Heart of Jesus is the fall of religious and priestly souls. The devil knows that religious and priests who fall away from their beautiful vocation drag numerous souls to hell. ... The devil wishes to take possession of consecrated souls. He tries to corrupt them in order to lull to sleep the souls of laypeople and thereby lead them to final impenitence. He employs all tricks, even going so far as to suggest the delay of entrance into religious life. Resulting from this is the sterility of the interior life, and among the laypeople, coldness (lack of enthusiasm) regarding the subject of renouncing pleasures and the total dedication of themselves to God."

That Which Sanctified Jacinta and Francisco

"Tell them also, Father, that my cousins Francisco and Jacinta sacrificed themselves because in all the apparitions of the Most Holy Virgin, they always saw Her very sad. She never smiled at us. This sadness, this anguish which we noted in Her, penetrated our souls. This sadness is caused by the offenses against God and the punishments which menace sinners. And so, we children did not know what to think except to invent various means of praying and making sacrifices."

"The other things which sanctified these children was to see the vision of Hell."
